Statement

I, undersigned Henri Duong, inventor of Application no. 10/725,226 filing date: 12/01/2003
Art Unit no. 3683

I hereby state that certain elements are added to my patent application as below:

- speedometer being used as a switch for connecting automatically sensor(s) in operation at any speed as desirable particularly during heavy traffic
- either signal lamp switch or a switch at steering wheel being connected for switching automatic braking device off for averting its function in motor/engine vehicle against opposite vehicle during turning,

Amendments are useful to the invention that my application is being short.

Very truly,

Henri Duong
